FOREWORD

Our school is a combination of individual ideals built from the dreams and efforts of many people. For over fifty years students have entered--each one adding something, each one leaving with new aspirations and increased wisdom.

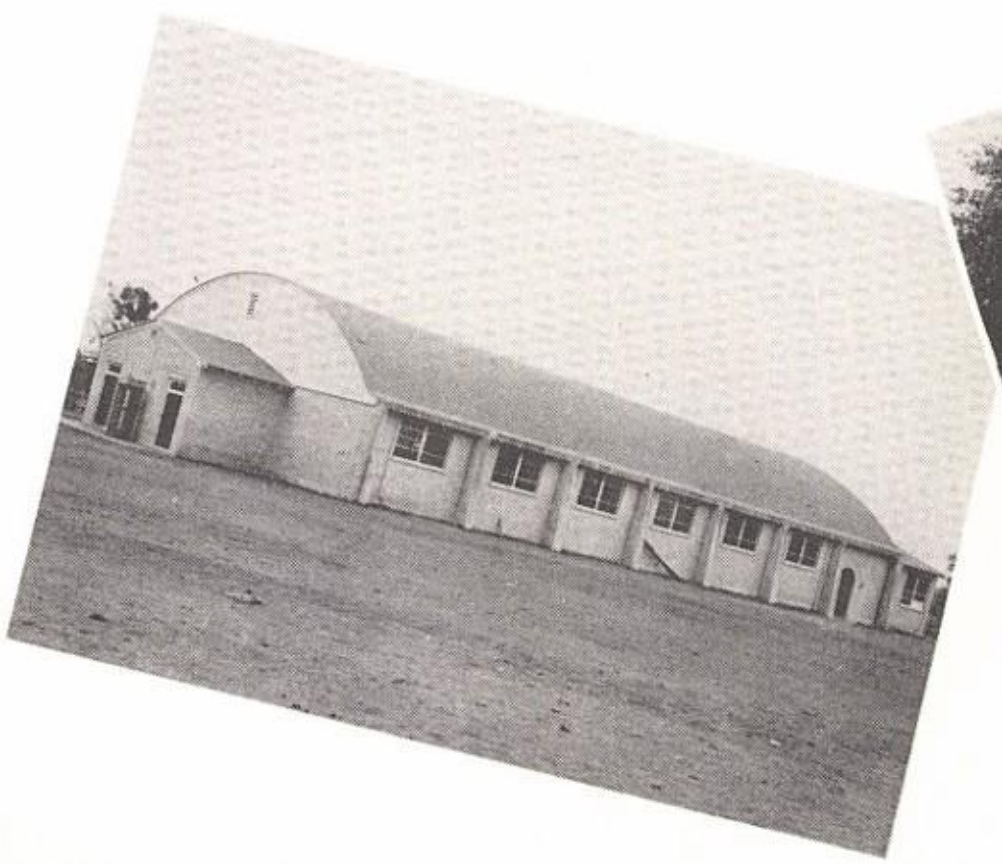
Our first aim was to give you the very best yearbook possible. The next was to give you a memory book that would increase in value with every year that has passed. We like to think of you looking at your BULLDOG and recalling everything you did at FHS--from the books you read to the friends you made. We hope this book shows our love for just those things.

THE 1952 BULLDOG STAFF

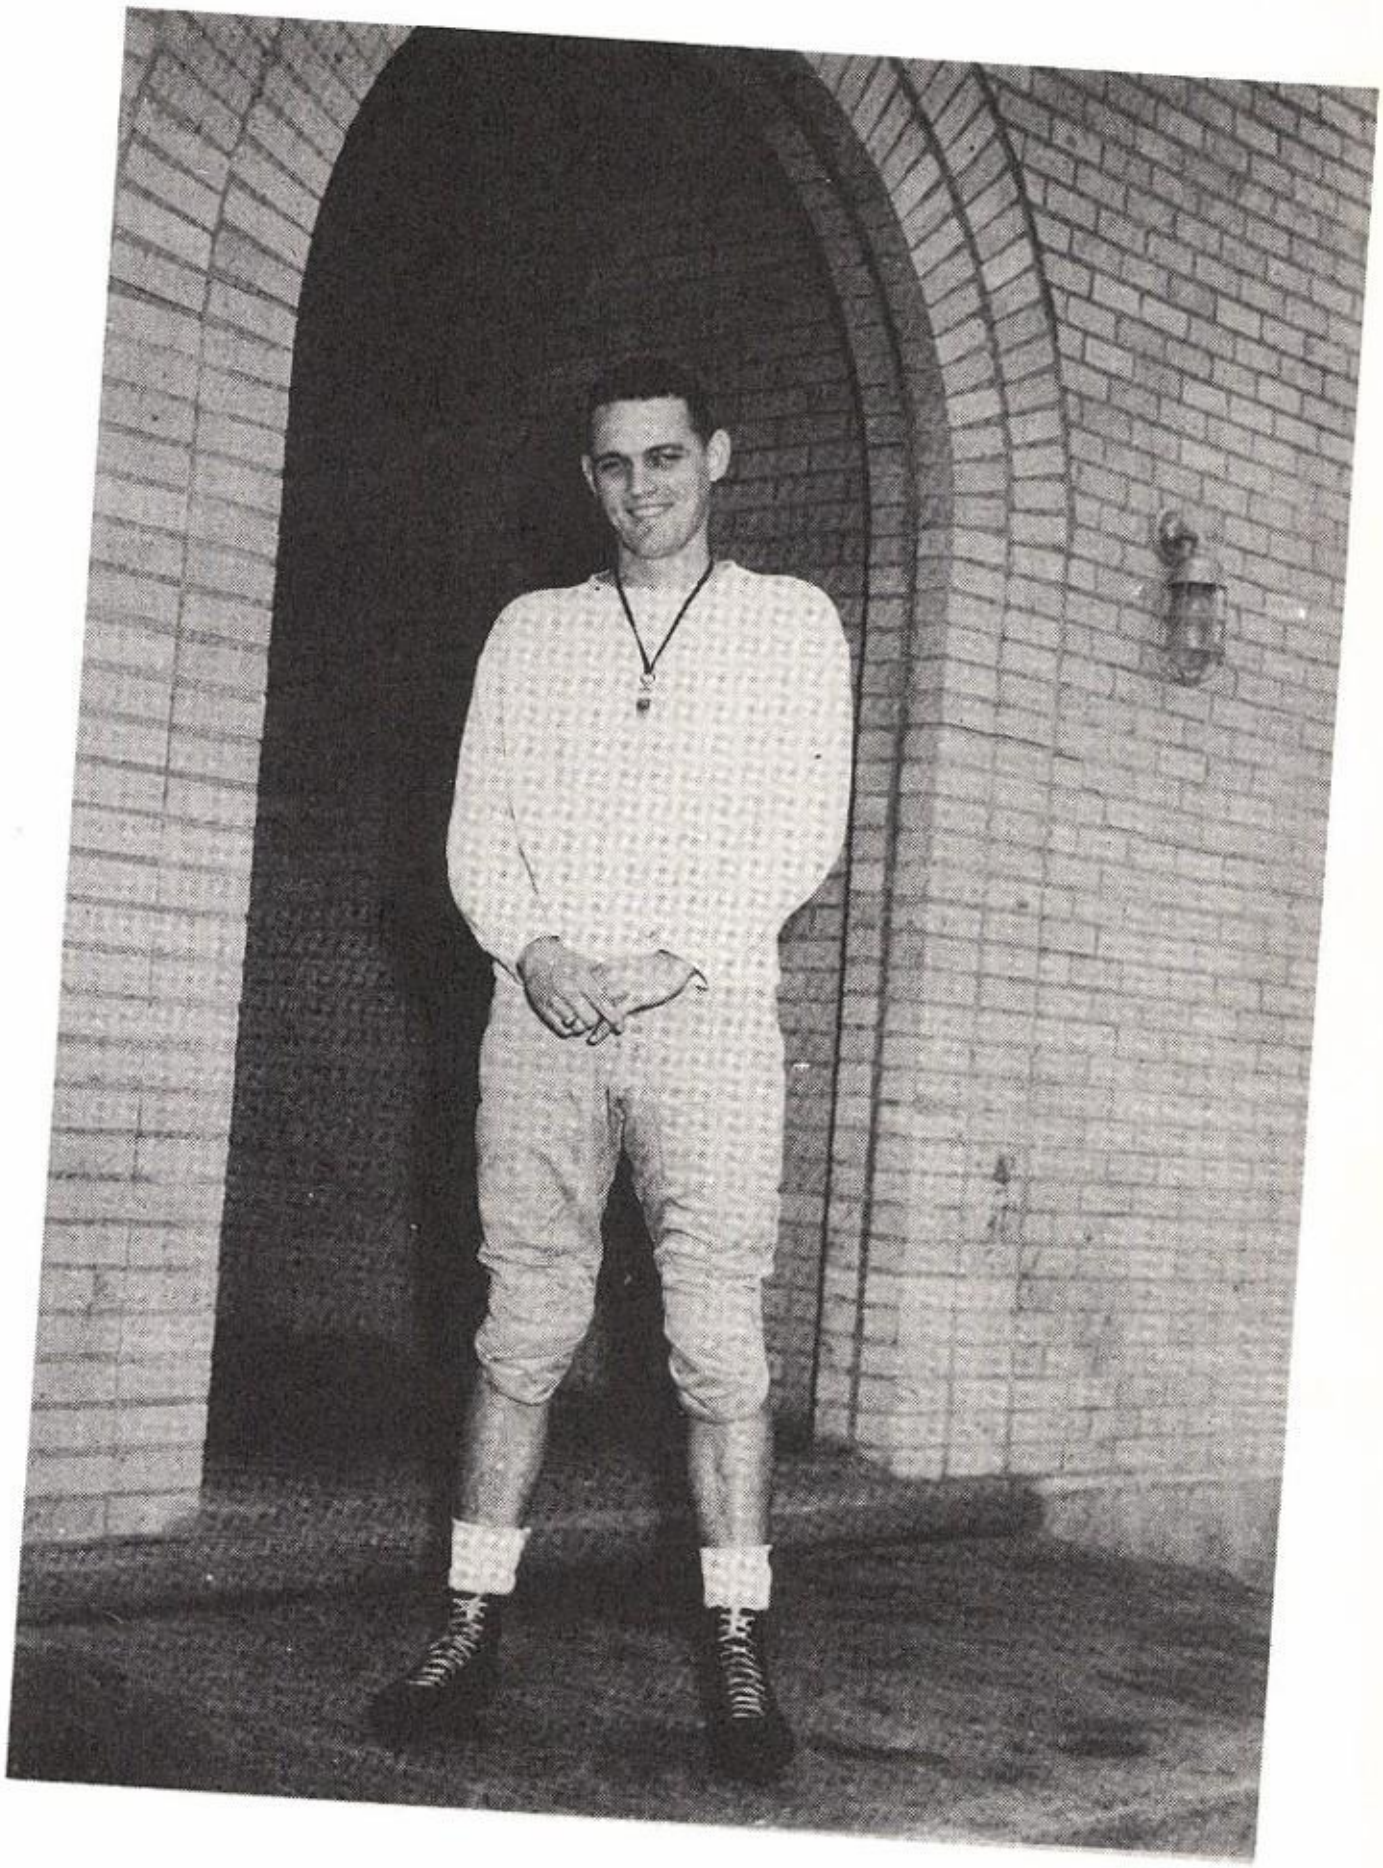
FHS

HIGH SCHOOL SONG

Our praises now, to thee we sing
Flatonia High, Flatonia High
Our talents now, to thee we've brought
Flatonia High, our dearest thought
With friendship, love, and loyalty
We praise thee with sincerity,
And follow thee in purity,
Flatonia High, Flatonia High!



DEDICATED



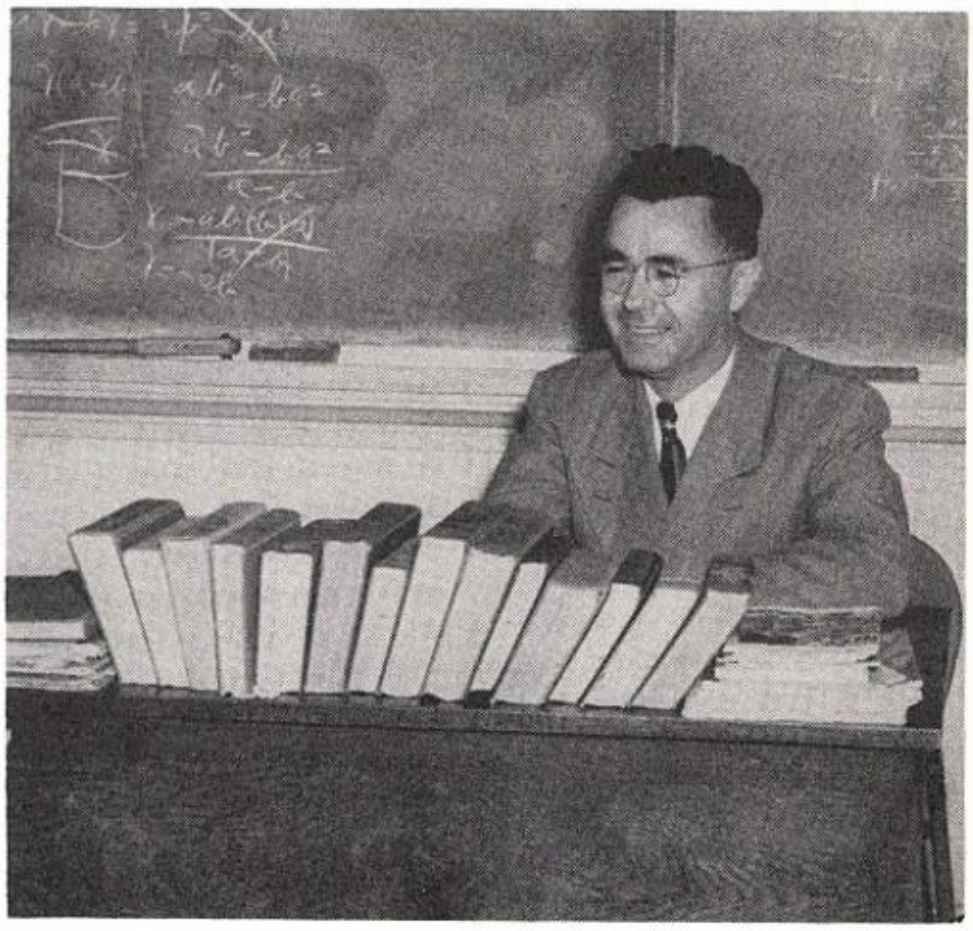
TO

COACH O. J. PITTMAN

We, the staff, dedicate this 1952 BULLDOG to our coach, who has done so much to raise the standards of athletics in our school. His continuous effort, never ending enthusiasm and his example of good sportsmanship have been a constant incentive to the athletic teams of Flatonia High School.

SUPERINTENDENT'S

MESSAGE



Dear Friends:

The publication of this second school annual has been welcomed with much enthusiasm and hard work. I want to cangratulate the members of THE BULLDOG staff and their sponsor for an excellent school annual. You can be proud to have had a part in its production.

The treasure of this book will be discovered in the future. Your forethought in publishing a record of your school life is certainly true evidence of the value which you place on your schhool days in Flatonia High School.

May each of you look upon the tasks that are to challenge you with the vigor and determination that has been your help in school.

With best wishes, I am

Sincerely,

Edwin E. Plowman
